Annual Report for Alter Guild
2016

Last year I reported that we had 3 permanent members of the guild. During the year we gained a volunteer but she had to resign and then at the end of the year, Sunni had to resign, leaving just Shirley and me. and we both like to travel! Happily, we did get another member last week Bonnie's daughter Patti, and Bonnie can always be counted on to help if she possibly can. This still leaves us very short on the ground – there must be someone out there who would like to join in our ministry – please, we would love more volunteers.

As I anticipated last year, the new Alter frontal etc. for Advent did arrive and we were able to use it this year.

Our thanks to Bud for changing the doors in the sacristy so that they slide, and are no longer in our way in the small space available between the piano and the cupboard. It makes an enormous difference. Now we just have to be careful not to lock the keys inside.

We have acquired an electric kettle so we can boil water to wash up in. I find hot water nice, especially in the winter. Now I am going to get an iron so we can remove wrinkles on site.
